

ToFscan sensor control report

Template maintenance report

Sensor identification

- TOF-S2 TOF-PS TOF-ES TOF-FS
 TOF-S2_B TOF-PS_B TOF-ES_B TOF-FS_B TOF-PS2_B

Label (lot number)	
--------------------	--

Result

Test	Ok/Fail	
	1	2
Position (1&2)		
Sensor Link		
Sensor sensitivity		
Electrodes continuity		

Validation

Operator	
Date	
Signature	

This report must be stored and can be requested at any time by IDMED.

Last update 2020/10/12

ToFscan main unit control report

Template maintenance report

Identification

Serial Number	
Software version	

Results

Test	Ok/Fail
TOF pulse intensities	
TOF pulse durations	
TOF pulse intervals	
Sensor detection circuit	
Electrodes impedance measurement function	
Charging icon	
Full battery icon	
Button use	
Optical output red light	
General appearance	

Validation

Operator	
Date	
Signature	

This report must be stored and can be requested at any time by IDMED.
